

Our focus is to supply quality wine products to the retail market in South Africa and to establish an International market with its own brand portfolio products.

Sangria

COOLER

Sangria stems originally from Spain and later Portugal. The product became popular as a sweet, flavoured, low alcohol alternative to standard wine.

Whilst it had been introduced as a Red Wine blend with orange, lemon and apple juice, new flavours were added in recent years. Flavoured White wine variants became particularly popular all over the globe over the last few years.

Product:

Cape Table Sangria is a Low alcohol cooler (6% alcohol) which is simply made by adding fruit juice and fruit flavours to wine.

Cape Table flavours:

Traditional, Kiwi Litchi, Cranberry Apple, Passion Fruit

Packaging:

Tetrapak 1 liter Slim with recap closure

Packed:

12 x 1 Liter

Shelf life:

- 18 months – 24 months (hence no sell by date)
- The extended shelf can be attributed to the fact that the product is packed in a sealed container without any head space.
- The product should be consumed within seven days after opening.

Serving suggestion:

- Serve in a large wine glass or tumbler with lots of ice.
- Enjoy with friends.
- Store the container in a fridge after opening.
- Drink responsibly!
